Dear [REDACTED]

Thank you for your email. I had previous confirmation that we would be met at the airport and taken to the hotel. Unfortunately, my password for the secure email site does not seem to be working for some reason so I cannot send you a copy of the confirmation email, but it came from [REDACTED] and was sent on 7 August.

Just in case you need the details again, we (my partner and i) will arrive via Copa flight CM303 from Los Angeles arriving 10.30AM on Tuesday, September 16. We will be returning to LA on Saturday, Sept. 20, departing 7.02PM on Copa flight 302.

We have a reservation at the Radisson Decapolis, reservation number 344972. Again, this was confirmed by [REDACTED] in a separate email on 7 August. She indicated that a driver will be waiting with our names on a sign, and will help us go through customs and immigration, and then take us to the hotel.

Yes, I want to have a meeting to set up a new company, [REDACTED] indicated that this could be accomplished in two to three days. That is the primary purpose of my visit.

I have also previously had confirmation on 4 August from [REDACTED] that we are to meet with someone from the property division and three developers, and the more recent email that you know about regarding meeting with the financial management team regarding investments.

Perhaps you can coordinate all these so that the schedule is clear.

Best regards,

Jurgen Wolff
